

United States Department of State

Washington, D.C. 20520

3 December 2010

Dayton T. Brown, Inc.
Engineering and Test Division
Church Street, Bohemia
Long Island, New York 11716

ATTENTION: Mr. Ron Kellar

SUBJECT: Official Request for Approval as a Forced Entry and Ballistic Resistance
(FE/BR) Test Facility

The Bureau of Diplomatic Security (DS) has reviewed the Dayton T. Brown, Inc. official request for accreditation as a FE/BR test facility. Dayton T. Brown, Inc. has been determined to meet the DS proprietary testing protocol outlined in SD-STD-01.01, Revision G (Amended), Certification of Forced Entry and Ballistic Resistance of Structural Systems.

Dayton T. Brown, Inc. is approved and will be placed in the list of DS-Approved FE/BR Test Facilities for use by manufacturers effective 3 December 2010. This approval does not guarantee your facility will be selected by the manufacturer since it must compete with other facilities.

Thank you for your interest and endeavors in protecting our personnel and facilities overseas. If you or your staff has any questions or concerns regarding this issue please direct them to DS/PSD/RD – Leonard Lopez at lopezlr2@state.gov.

Sincerely Yours,

A handwritten signature in black ink, appearing to read "P. Gibbons", written in a cursive style.

Peter G. Gibbons
